

## Weekly Learning Letter

**Friday 29th September 2023**

A big thank you to all Nursery parents/ carers for your understanding and support in responding so positively to our requests to drop your child/ren off promptly. This has really helped in our bid to successfully settle our 'newbies' who are doing brilliantly as a result!

### This week in Nursery:

Our newer children are really starting to get into the Nursery routines especially at the start and end of the sessions. During the sessions the children have particularly loved playing outside and making the most of the unseasonably warm weather this week. Dancing to Queen's "We Will Rock You!" was a big favourite closely followed by outdoor water and sand play. Please be mindful that the weather can also be very changeable so please send your child/ren in with suitable rainwear and a change of clothes too. Indoors, sticking and painting remained very popular and this week printing with objects quickly evolved into hand printing – what a great (and typically messy) idea! As the children are settling, we have started to see lots more collaborative play around building with blocks/ train tracks and making up and enacting role play stories with new/ old friends alike.

### Things to Note:

#### **Importance of Learning Letter!**

The Nursery Learning Letter is released every Friday on the Kilmorie website. It not only helps us to let you know about what your child/ren do at Nursery but also keeps you in touch with reminders and upcoming events. Last week we handed out paper copies with instructions on how to get hold of the Learning Letter – if you're unsure please ask one of us.

#### **Stay and Play**

The first Stay and Play will be after the half term on Thursday 2<sup>nd</sup> November.

#### **Music Sessions**

Short and fun music sessions with Emily will be on Wednesday mornings and Thursday afternoons starting from 19<sup>th</sup> October.

## **Weekly Learning Letter**

### **Clothing**

- **Spare clothes** - please can you ensure your child has at least one set of spare clothes (named and in a bag) for toileting reasons, but also just in case they get wet due to the water play.
- **Wet weather** - as the weather is starting to become unpredictable, can you please make sure your child has a waterproof coat and wellies.
- **Shoes** – can we ask the children do not wear Crocs, as they are not suitable for activities in the outside area. Also, we would like to ask children wear shoes which promote their independence, such as Velcro or slip on shoes. Thank you!

### **Family Photos**

Thank you for the lovely family photos which are adorning our 'We Are Family' wall. If one wasn't taken at the recent home visit or if you have not yet had the chance, please email or drop in a photo of your family.

### **All-day Children Packed Lunches**

Please ensure that packed lunches are labelled as well as any boxes or bottles that come out of pack lunch boxes/ bags to reduce confusion.

It looks like the weather is set to become more changeable so make the most of the late September sunshine this weekend.

Have a fabulous weekend.

Tracey, Liz, Sophie, Fiona and Katrina
