

Weekly Learning Letter

Year 1 Home Learning
06.10.23

This week in year 1 we have been:

Learning how to compare numbers using mathematical vocabulary 'greater than', 'less than' 'equal to'.

Writing speech bubbles for the characters from 'The 3 Little Pigs' story.

Learning about different materials and their properties.

Home learning ideas:

- Go to your local park or in your garden and look out for signs of autumn. Talk to an adult about what you notice or draw an autumn themed picture.
- Using recycled materials at home, can you make a house for the 3 little pigs?
- Have a go at comparing numbers using the 'greater than', 'less than', 'equal to' symbols. Can you compare these numbers by telling an adult what each symbol means?

Greater Than	Less Than	Equal To			
>	<	=	$10 > 3$	$4 < 8$	$5 = 5$

Resources

We are still in need of resources to support children's learning, particularly in our outdoor area. Some resources that we need are:

Dressing up clothes **funnels/ measuring cylinders** **art straws**
Small world animals **measuring jugs** **junk modelling**

If there are any resources that you would like to donate please give them to your child's class teacher.

Phonics:

In Phonics this week we have been revising Phase 3 tricky words 'said', 'says', 'you', 'do', 'like', 'little', 'push', 'pull', 'put', 'full', and learning Phase 5 digraphs 'ay' ('play', 'day'), 'ou' ('cloud', 'sound'), 'oy' ('boy', 'toy'), 'ea' ('treat', 'each').

Reminders:

Phonics workshop for parents on the 10th at 4pm or the 18th at 9.15am. You will have received a [wufoo form](#) which you can submit to express your interest.

Have a fabulous and restful weekend!
The Year One Team
