

# Year One Home Learning

14.10.22

This week we have been:

\* re-reading the story of Handa's Surprise, writing our favourite part of the story and speech bubbles for the characters

\* exploring ways of making a number using the Part Part Whole method and partitioning 6 in different ways

\* learning about the artists Paul Cezanne and Giuseppe Arcimboldo

\* making self-portraits in the style of the artist using real fruit

\* identifying different trees in the Wild Garden.

\* creating our own drawings in response to the French artist Louis Laouchez

## For home learning, you can...

- \* Use the Part Part Whole template on the back of this letter or draw your own to show how you can split numbers up in different ways
- \* Collect some autumn leaves and make a leaf picture
- \* Plant an acorn or conker to grow your own tree
- \* Listen to your child read every day

## Phonics

We have been revising the a and 5 sounds. We have also been practising reading and writing the tricky words – all, of, I, all, are, one, here, today.

Please bring in any Autumn foliage such as leaves, conkers, sticks and acorns for our art next term.

**The Year One Team**

**Reminder – Phonics Workshop for parents**

The Phonics Workshop for parents will be in-person on Thursday 20<sup>th</sup> at 09:15 to 10:00 – please sign in at the office first. There will be a repeat of this on Teams at 19:30 on the same day. You will be emailed a link to the Teams workshop shortly.
