

Year 2

KILMORIE

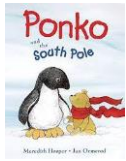

Weekly Learning Letter

Date: ~~Week ending~~ 23rd February 2024

Welcome back! We hope you all had a good break and are ready for the next half term.

This week in Year 2:

English:

In English we have been editing our Ponko stories and sharing them with our learning partners. We got some very good feedback.

Phonics / Spellings:

We will be focussing on these words which end with an 'l' sound:

- able
- table
- apple
- bottle
- middle
- little

Maths / Number:

We are learning about money. We have found out what different coins and notes are worth, and we have been using them to make different amounts. Can you solve this problem?

Seren has some coins in her purse.

The total value of coins in my purse is 48p.

4 of the coins are silver.

I have fewer than 12 coins in my purse.

What combinations of coins could Seren have?

Find as many combinations as you can.

Reading:

Read 'The Bug Hunt' and answer the questions below, using the text to find the answers.

Weekly Learning Letter

THE BUG HUNT

Here are Class 2's teacher, Mrs Carter, and two children, Katie and Peter, talking about their bug hunt at school.

I'm Katie. I searched for bugs under stones. I found two worms, a slug, seven woodlice, a black beetle, a crawly thing that turned out to be a centipede, and a load of ants. It could have been an ants' nest.

Chocolate, honey, silk and strawberries: these are a few of the things we wouldn't have without bugs of one sort or another. They pollinate flowers and do a lot to tidy up too. They recycle leaves and improve the soil.

I'm Peter. I looked under a pile of dead leaves. There were a few spiders, some snails and lots of ants and woodlice. When I was about to go back to class, a shield bug landed on my sleeve. It was dark green.

1. Which **two** types of bug did both Katie and Peter find?

2. Write down **three things** that we wouldn't have without bugs.

3. Why did Katie find lots of ants?

4. What colour was the shield bug?

Home learning ideas:

On Monday we took part in a mindfulness session. Try this activity at home:

Year 2

Learning Letter

Forthcoming events / trips:

Educational visit to Greenwich Maritime Museum

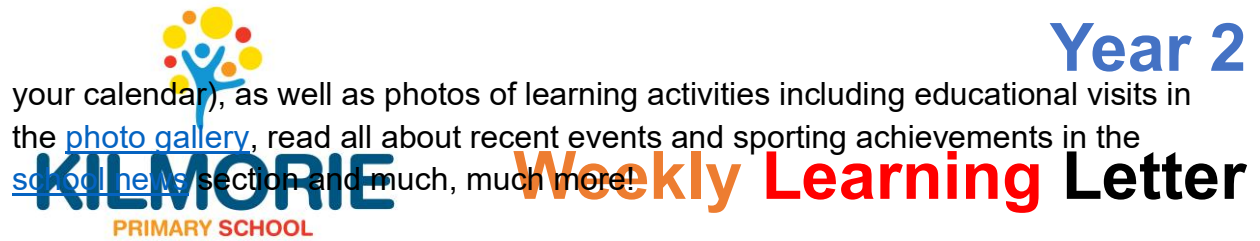

- **Friday 8th March 2024** – Shona's and Sarah's Class
- **Friday 22nd March 2024** – Kate's Class

Educational visit to Horniman Museum

- **Tuesday 16th April** – Shona's Class
- **Thursday 18th April 2024** – Kate's and Sarah's Classes

School website: School website

Please do [visit our website](#), you can find details of forthcoming events on the [calendar](#) (& you can subscribe to your child/ren's year group so it will auto update

Year 2

your calendar), as well as photos of learning activities including educational visits in the [photo gallery](#), read all about recent events and sporting achievements in the [school news](#) section and much, much more!
