

Year 2

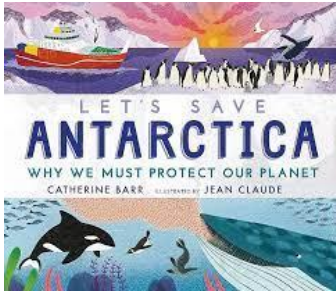

**KILMORIE**

**Weekly Learning Letter**

Date: Week ending 8<sup>th</sup> March 2024

This week in Year 2:

English:

In English we have been preparing our speeches: Let's save Antarctica! We have used laptops to research what Antarctica is like. We have used the book 'Let's save Antarctica' to find out what is happening to Antarctica and some of the things we can do to save it. We are looking forward to sharing our speeches with our reading buddies.

Phonics / Spellings:

We will be focussing on these words:

- fast
- last
- father
- class
- grass
- pass
- plant
- path
- bath

Maths / Number:

In maths we have been using a number line to find out how much more money we need to make 100p/£1.

Jo has 84p

She wants to buy a tennis ball.

How much more money does she need?

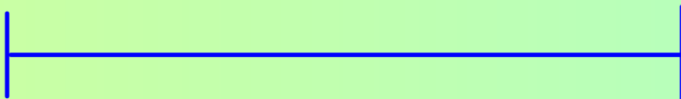

×

84p

£1

## Year 2

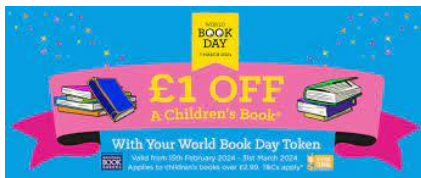

We have also been finding change.

**ORIE Weekly Learning Letter**  
If I bought a book for 16p and gave the shopkeeper 20p, how much change would I get?

If I bought another book for 34p and gave the shopkeeper 50p, how much change would I get?

If I bought 2 books for 47p and gave the shopkeeper £1, how much change would I get?

### Reading

Visit your local bookshop and use your World Book Day token to buy a book and read it. There are some great books which only cost £1.

### Home learning ideas:

Next week we will begin our DT project: making an egg protector. Look at different bags around your home. Which designs do you like? Which do you think would be good for an Antarctic explorer? Which do you think would be able to keep an egg safe?

If you have any egg boxes at home, especially unusual ones, please could you bring them in on Monday. Thank you!

### Thank you:

Thank you to all the parents who helped on Shona's and Sarah's trip to Greenwich Maritime Museum. We had an amazing time and couldn't have done the trip without your help.

Thank you to all of you for helping your children choose their outfit for World Book Day. It was a great success and the children looked amazing!

### Forthcoming events / trips:

Educational visit to Greenwich Maritime Museum
