

Weekly Learning Letter

Date: Week ending 6th February 2026

This week in Year 2:

English:

In English, we have continued work linked to our new story Tom Crean's Rabbit. We have been learning about how and when to use verbs and adverbs and have also been using expanded noun phrases. As well as this, we have been identifying the features of a letter. Then on Friday we planned out how we would write our own letter in role as Tom Crean to his family, telling them all about life on the boat!

At home, imagine you are Tom Crean's rabbit. Can you write a letter to your family explaining what has happened to you on your adventure? If you need to read the story again follow the link below:

Spellings:

This week we will be focussing on the words below

- mission
- emotion
- mansion
- magician
- delicious

Please practise using the spellings in sentences.

Maths / Number:

In maths this week, we have continued to focus on multiplication. The children have been learning about what each factor represents in a multiplication sentence when one of the factors is one and have also been solving word problems related to this. As well as this, we have been learning that when we multiply a number by two it is equivalent to doubling that number and have been doubling 2-digit numbers.

Can you explain how doubling helps you to solve 8×2 ?
