Friday 13th February 2026

This week in Nursery

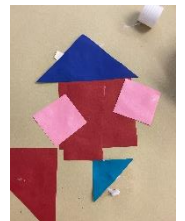

Wow! The end of another term! How is that possible? Well done to all of the children that started at the beginning of 2026. They have settled in extremely well and well done to the older children for helping them along the way.

We have been as busy as ever. With a little break in what seems like the endless rain, we actually made it to the wild garden this week. The children enjoyed climbing trees and making numerals out of different things, as well as hunting for mini beasts and gathering natural objects.

As part of Mental Health Week, the children have joined the rest of the school in exploring the theme of belonging and things that make us feel safe. We have talked about different feelings and contributed to the whole school displays, which the children were very excited to be a part of as they had to go to another part of the school to get involved!

On the theme of feeling safe, the children have been making the different houses that the 'Three Little Pigs' built. We have been talking about the best materials to use and there have been lots of interesting conversations about what to use, why to use it and how to do it! We have made houses out of shapes and lolly sticks, which have put our problem-solving skills to the test. The children have also enjoyed acting out the story of the Three Little Pigs and the song Five Little Aliens.

We finished the week with a Valentines theme, making love heart tarts in cooking and making cards for our friends and families. We are definitely feeling the love.

A big thank you to you all for another lovely half term, for your donations to our cooking resources, attending Stay and Play and for your daily smiles and words of encouragement whatever the weather.

We hope you all have a joyful and restful half term and see you all in a week.

Tracey, Fiona, Amy, Katrina and Zindzi

Weekly Learning Letter

Half Term

Half term is from Monday 16th February – Friday 20th February. We will finish at the normal time on Friday 13th February.

Library Visit

On **Wednesday 4th March**, Paul Nash from Lewisham Libraries will be visiting Kilmorie Nursery during our two Stay and Play sessions. He will hold a story telling session with the children and will also be available to talk with adults about the services provided by Lewisham libraries. He will also be able to set up memberships for children on the day. Please come along if you want to find out more.

Playdough Workshop

On **Wednesday 18th March** we will be holding a Playdough Workshop during our Stay and Play sessions. This is a great opportunity for you to learn how to make play dough with your child and never have to buy it again! And if there's one table at Nursery that rarely changes, it's the play dough table. The children love it! We will provide the resources and at the end of the session, everyone one will be given a bag of playdough and a recipe card. Any donations will as always be thankfully received.

Emails to Nursery

If you need to get information to the nursery via email, please send it to info@kilmorie.lewisham.sch.uk as this is checked daily. Many thanks in advance.

World Book Day

This year World Book Day is on Thursday 4th March 2026. We will be organising different activities to celebrate the day, so watch this space for more information.
