Friday 6th March 2026

This week in Nursery

What a jam-packed week, filled with sun, fun and frog spawn! As the sun shines on, we have continued our spring adventures. In the wild garden we have been looking for the signs of spring, noticing the daffodils, hyacinths and bluebells poking through and the blossom and new buds in bloom on the trees. It has generated lots of wonderful talk about the changing seasons and what things need in order to grow. As you can imagine, the children have also been extremely excited about our new addition to nursery – frog spawn from Tracey’s garden! Ready with their magnifying glasses and clipboards, the children have been predicting how they will change and when they will look like tiny frogs! Watch this space.

Outside, we now have a new garden shop with REAL flowers and plants that the children planted in the autumn. They have been very busy organising, watering, pruning and selling the flowers to each other.

Inside the children have been working collaboratively to complete puzzles and to create our wonderful ‘The Very Hungry Caterpillar’ display, along with handwritten labels. When you have a moment, do take a look at their brilliant creativity and writing skills.

As part of World Book Day this week, we had the lovely Paul visit us from Lewisham Libraries during our Stay and Play on Wednesday morning. He was on hand to talk to parents about the latest services provided by Lewisham Libraries and then read a wonderful story all about a fish and a hat! On Thursday, everyone looked amazing in their costumes and we had an amazing day cosied in front of our wood burning fire (on the interactive whiteboard!), sharing and talking about books, drinking eating buttered crumpets. We also attended an amazing interactive story workshop with April and Big Bird, in which we had to look for clues for each of the different stories.

We hope you all have a restful and warm weekend ahead.

Amy, Katrina, Zindzi, Tracey and Fiona

Playdough Workshop

On **Wednesday 18th March** we will be holding a Playdough Workshop during our Stay and Play sessions. This is a great opportunity for you to learn how to make play dough with your child and never have to buy it again! And if there's one table at Nursery that rarely changes, it's the play dough table. The children love it! We will provide the resources and at the end of the session, everyone one will be given a bag of playdough and a recipe card. Any donations will as always, be thankfully received.

Emails to Nursery

If you need to get information to the nursery via email, please send it to info@kilmorie.lewisham.sch.uk as this is checked daily. Many thanks in advance.

Early Years Garden Party

It is coming around to that time of year again when we have the **Early Years Garden Party**. For those new to the school, this is an **event** run between the Early Years team and the Friends of Kilmorie where we have different stalls - games (run by us), food, Dads cafe, toy sale, raffle, bouncy castles, petting animals...with all the money raised being split between Nursery, Reception, Year 1 and the Hub.

The date is **Saturday 9th May from 11.00 – 14.30** with a quiet opening for families of children with SEND running from 11.00-11.30am. Watch out for more information over the coming weeks.
