

Weekly Learning Letter

13th March 2026

Our learning this week

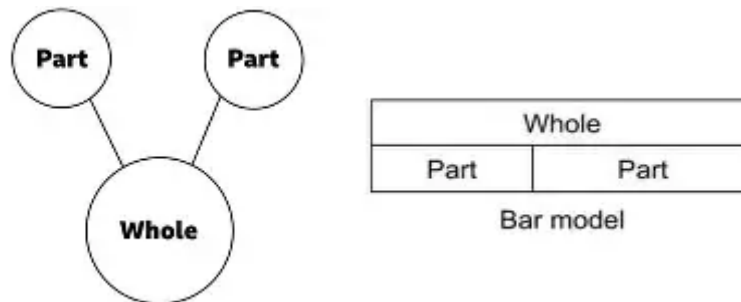

Maths

We have solved addition problems using the symbols + and =.

We found all the ways the equations could be written:

$$\text{e.g. } 2 + 4 = 6 \quad 4 + 2 = 6 \quad 6 = 2 + 4 \quad 6 = 4 + 2$$

We have identified the parts and the whole in equations and put the information into part part whole models and bar models.

Practise this at home: find all the ways that you can make 5 and write the equations. Put the information into part part whole and bar models.

English

We have written a letter to Beegu's mother telling her what Beegu did when she was on Earth. We found out how to set out a letter and what information to include.

Write a letter to someone you know. How will you start and end your letter? What will you include? What questions will you ask?

Geography

We learnt the names of the continents and located them on a world map. Practise the names of the continent using this song to help: [Seven Continents Song](#)

Phonics your child has been learning this week:

	Sounds	Tricky Words
Jayne's Group	I - le (little) al (metal) s - c (ice) v - ve (give)	ask Mr Mrs Ms school call different
Kate's Group	oa o igh i ai a ee ea e ir ie oo oo u	your people their oh Mr Mrs Ms ask
Rhiannon's Group	ai ee igh oa oo oo ar or ur ow oi ear air er	are pure sure was do were here little
Sarah's Group	ir (bird) ie (pie) ue (blue, rescue) u (unicorn)	here today one their people oh your

Practise at home using these games: [PhonicsPlay - Phase 4 Resources](#) (Picnic on Pluto, Dragon's Den, Buried Treasure)

Each morning the children write sentences to go with a picture. Here are some pictures you can use with your child at home to practise their writing:
