Year 1 Home Learning

2nd October 2026

Thank you to everyone who came to our Year 1 information meeting. If there is anything that you are unclear about, or you have any suggestions, please speak to your child's class teacher. The PowerPoint has been uploaded onto the Year 3 page of our school website:

English

This week we have continued with our focus story '**The Three Little Pigs**'. The children have drawn a picture of their favourite part of the story and written sentences to go with it.

Maths

In Maths we have been finding missing numbers (numbers up to 20). We used number tracks and number squares to support our learning. We have also been focusing on teen numbers – counting forwards and backwards, counting on from different numbers. What teen numbers can you find when you are out and about? What do you notice about the teen numbers?

Computing

We used a painting program on the tablets to create a piece of artwork. We explored using different tools – line, fill, shape – and we changed the colour of the paint that we were using.

Geography

This week in Geography, we have started to keep a weather diary. Each class has observed the weather and recorded their findings. Keep a diary of the weather over the weekend. What do you notice when you go outside? Is it getting colder? Are there clouds in sky? Are the trees moving?

Home learning ideas:

For home learning, you can...

Practise writing teen numbers – make sure that you put the 1 first!

Fill in the missing numbers on the pumpkins.

Geography

What do these words mean?

- *temperature*
- *seasons*

Talk about them with a grown up and think about why they are important. How do they help us when we are talking about the weather?

Resources

We are still in need to for resources to support children's learning, particularly in our outdoor area. Some resources that we need are:

Dressing up clothes

junk modelling materials eg boxes

Small world animals

construction vehicles

If there are any resources that you would like to donate, please give them to your child's class teacher.
