## Autumn 2 Week 2 - 11.11.22

The children are awesome. They continue to bounce into nursery every day and keep us busy and smiling. As the weather becomes colder, the children however, are picking up illnesses, so please, if your child is under the weather, do keep them at home to rest. It helps to limit other children becoming ill and speeds up their recovery. A huge thank you. On this subject – please call or email ([attendance@kilmorie.lewisham.sch.uk](mailto:attendance@kilmorie.lewisham.sch.uk)) the school office if your child is unwell and will not be in nursery that day.

This week we have introduced the story 'The Colour Monster', by Anna Llenas. It tells the story of a confused monster with mixed up feelings. His friend helps him to understand his different feelings using colour. The children have enjoyed exploring different emotions through a variety of activities including talking, music, movement, mirrors and artwork. We will be continuing with this throughout the rest of the term as we start to introduce the 'Zones of Regulation', the school's new approach to supporting children around their feelings.

The children have been busy making raisin face biscuits and creating their own colour monsters and talking about how they feel and why - take a sneaky look at our new feelings display in class. They continue to use all areas of the Nursery with gusto! The children are having a fabulous time during our 'Wild Garden Wonder' sessions, looking for bugs, climbing trees, collaborating together to carry large branches and generally enjoying this new adventure!
