## KEEPING KILMORIE CHILDREN SAFE

Can parents please ensure that all medication, including epipens, are up to date and that children who require an asthma inhaler have one on them at all times. If your child no longer requires medication or an asthma inhaler, please inform the school in writing and arrange to collect the medication.

Dear Kilmorie Families,

I hope you had a good Easter break.

The children have settled back into school so well and they are focussed and ready to learn!

Today in assembly, we talked about the significance of Earth Day. This was very relevant to the recent demonstrations in London about climate change. The children were very animated talking about what they knew about the effects of pollution on the world and how we can all work to protect our environment. They were particularly interested in the Earth Day theme this year about protecting endangered species.

The school council have been working hard to encourage more recycling in school. There is some further information in the newsletter about a new recycling programme to collect waste from personal care and beauty products.

We also spoke this morning about walking to school as much as possible. To encourage this we will be promoting and supporting National Walk to School Week May 20<sup>th</sup>- May 24<sup>th</sup>.

There are many events this term so do keep an eye on dates for your diary.

Best wishes, Liz

**DINNER MONEY** The cost of meals for this half term (23<sup>rd</sup> April to 24<sup>th</sup> May) is £48.30. The amount for the full summer term (23<sup>rd</sup> April to 23<sup>rd</sup> July) is £123.90. A reminder that if you wish to change your child's meal option, it has to be for the entire half term.

School meals have to be paid in advance and this can be done through ParentPay.

If you have any outstanding amounts, you will have received notification. We would appreciate prompt settlement of any monies owing.

**CLASS ASSEMBLIES** take place on a Wednesday at 9.20am and last around 15 minutes. This provides an opportunity for children to share some of the work they have done in class. This half term's class assemblies are as follows:

Sophie's Class	-	Wednesday 1 <sup>st</sup> May
Sarah & Fiona's Class	-	Wednesday 8 <sup>th</sup> May

Parents and carers are most welcome to join us in the main hall. If you are early please could you make your way to the Community room to avoid congestion at the front desk. You will be called when the children are ready.

**CLASS PHOTOGRAPHER** A reminder that the photographer will be in school on Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> May for class photographs.

**ENRICHMENT CLUBS AND INSTRUMENTAL LESSONS** Summer 2019 enrichment clubs started today and will continue until week ending 24<sup>th</sup> May. The clubs will resume from Monday 3<sup>rd</sup> June and finish on Monday 8<sup>th</sup> July. Please arrive promptly to collect your child(ren) and sign them out.

**EARLY PHASE GARDEN PARTY** The Early Years team and Friends are busy arranging their Superheroes Garden Party on Saturday 18<sup>th</sup> May 2019 from 12-3pm. They will need lots of help on the day so please sign up on the board at drop off or when collecting.

Donations of raffle prizes

Volunteers to run stalls / any skills you can offer for the day

New small toys

Unopened gifts and toiletries

Chocolates or sweets for the Tombola

Lots of cakes, biscuits plus savoury dishes (nut free and please provide a list of ingredients for homemade items)

Good quality, clean, working second hand toys/books

All donations can be handed in at the school office. Please bring food items in on the Friday or on the day. A reminder that we are a nut free school.

**RECYCLING PROGRAMME** Kilmorie have signed up to a recycling programme with TerraCycle, in which we are collecting personal care and beauty products ([see list](#)). The school that sends in the most accepted waste between now and 5<sup>th</sup> of July 2019 will receive a recycled playground makeover worth up to £10,000.

Each class has two school council representatives who will be responsible for collecting the waste so please hand in any items to your child's class. To ensure we have recycled the waste properly, please can you make sure that all left over product and labels have been completely removed.

For more information on the programme you can visit the TerraCycle website at <https://www.terracycle.com/en-GB/contests/recycle-plastic-to-make-your-school-fantastic>, or speak to Ashleigh (Tiger Class Teacher).

**HELPING PEOPLE IN CRISIS** We are continuing with accepting donations of sanitary products as there is still an urgent need for supplies. If you are happy to donate these items, we would be pleased to deliver to the Lewisham distribution team at the Food Bank. Please hand in at the office. Thank you.
