

Friends Year Reps 2019/20

Friends Reps are parent volunteers from each year who help keep their fellow parents/carers informed of and involved in Friends of Kilmorie events. Their primary role is to help the Friends of Kilmorie spread the word to others in their year group about Friends of Kilmorie news and events – both in person and via class WhatsApp groups.

As Friends Reps, their job is to inform you about the work of the Friends of Kilmorie, i.e. the Kilmorie School Parent Teacher Association (PTA). They are not responsible for managing communications from the school itself, or for passing on general, school related information and they do not have any wider school or class related duties, such as organising teacher gifts.

Year	Friends Rep
