Y

IS FOR WHO ARE YOU?

This activity is about:

**EMPATHY
IDENTITY**

**DIFFERENCES
SIMILARITIES**

The ability to understand and share the feelings of another is called empathy.

There are many things that make you different to other people. There are also many things that make you the same. Some differences can be seen, and some cannot. Some similarities can be seen, and some cannot.

Think for a minute about everything that makes you YOU, the visible and invisible things.

Now think of a friend. Think about everything that makes them THEM, the visible and invisible things.

Think for example of the clothes they like wearing or the things they carry with them, something nice they did for you or what games they like.

Draw these things here to create a portrait of your friend.

Note:

There is no right or wrong way to do this activity.

This is for YOU.

YOUR voice, ideas and feelings matter.
