

Reception News 16.7.2021

This week in Reception

Our 'Take This Artist' online exhibition is now up on the Kilmorie website- we are very proud of Reception's contribution. Just click on the gallery tab to view.

Jadé popped in again to admire the exhibition and was very impressed with the art across the school.

All parents should have received an email containing our Powerpoint of almost every child's artwork, which we hope you will consider buying via Parentpay.

Another associated fundraiser was our hamper raffle, kindly donated by Waitrose. We are delighted to say that the winning bid was made by Greyston's parents. Thank you to all those who took part.

In maths this week we have been looking at shapes, particularly revising all we have learnt about 3D shapes previously during lockdown. The properties of the shapes; their faces, vertices (not corners) and edges (not sides) need particular revision, alongside shape names.

Eexat

We hoped you enjoy catching a glimpse of what the children get up to in school on www.my.eexat.com

You should have all your log on details from earlier in the year but if not please ask.

Phonics

Well done to each and every child on their enthusiasm and progress in their different groups.

We have finished our groups for the year and ended the week with a party in each group except Katrina's. They will have their party next week.

Next Week

Please return all your reading books and any maths games you may have.

Please return your picnic in the park response to the office so we know who we are taking and bringing back and which parents can help us to and from the park.

Please be aware that although the government has relaxed some rules, the school is still being appropriately cautious. The **'one parent only'** request that we originally made still stands.

All classes will have a party on Friday morning but as we are already having a picnic, we will provide ice lollies, games and (ssssh!) a small present for the children. You do not need to send in any food.

Reminders

We are finishing at 1.15pm on Friday.

Please check the Reception page of the Kilmore website for photos and other information.

Best wishes,

The Reception Team
